The Ancoats Community Litter Pick is a quarterly event organised and sponsored by Mustard Tree and Northwards Housing. Now in its 2nd year this event draws together residents, businesses, voluntary groups and the public sector - all with the common goal of cleaning up the place that we are proud to work and live in. In May 2014 Mustard Tree was the recipient of a Clean City Grant in the form of High viz vests, litter pickers, gloves and bin bag hoops.

Adrian Nottingham (CEO, Mustard Tree) states; *“Mustard Tree has benefited from the help and support of so many of its neighbours that we are glad of this opportunity to give a little something back. Joining with others to make a positive contribution to the environment around us is a great way to make friends, build great working relationships, and grow community.”*
