

## **Manchester Employment Task Group April 2014 to March 2015**

**Manchester Employment Task Group** is a partnership of agencies providing routes into employment for people with a homeless background within the City of Manchester.

Each agency delivers a unique and complimentary approach to supporting clients into training education, volunteering and employment.

The group reports into the Manchester Multi Agency Homelessness Forum as part of the city's strategy to end rough sleeping.

**Booth Centre** - Activities timetable, accredited training, Employment workshop and support

**Mustard Tree** - Freedom Project

**Business in the Community** - Ready for Work

Collectively, Manchester Employment Task Group has achieved the following outcomes from April 2014 to March 2015:

- 143 clients have gained employment
- 87 clients have sustained employment for 3 months or more
- 285 clients have benefitted from work placements
- 116 clients have moved on to engage in additional training, education or volunteering
